

# PARENT PAYMENT REQUEST 2026

11th November 2025

Dear Preston High School families,

Thank you again for entrusting your child's education to our school in 2025. Enclosed with this letter is the parent payment request for 2026. We would very much appreciate your prompt payment of the curriculum contributions.

In addition to the curriculum contributions, I hope you will consider making a tax-deductible donation to the school's Library Fund this year.

At Preston we strive to ensure that every student, regardless of their circumstances, has the things they need to be – and feel – fully engaged at school. That means having textbooks to read, an instrument to play, and a uniform they feel proud to wear. It also means having the chance to participate with their peers in the camps and excursions that enrich their high school experience.

Last year, your donations helped many students experience their best possible start to life at Preston. Thank you so much to the many families whose donations made that possible.

Our goal for 2026 is to raise \$50,000 to help as many students as we can through the Library Fund:

- 150 dollars will ensure a student has the textbooks they need to study.
- 250 dollars will provide a student with a musical instrument for the whole year.
- 1,000 dollars will ensure three students can join their peers at the school camp.

You may also choose to make a donation to the Building Fund towards our goal of \$1 million for enhanced building and specialist facilities.

Thank you for your support. To the many families who made a voluntary contribution in 2025, thank you again.
